Beyond Organic Gardening Workshop

September 18, 2010
10:00 am- 3:00 pm

Individual Fee for Workshop \$55.00 (early registration)
Family Fee for Workshop \$75.00 (includes 2 lunches. If bringing a child, youth lunch is an additional \$5.00)
2 Hands members \$30.00 (includes lunch)
After Sept. 1- there will be an addition \$10.00 late registration fee.
All fees include a nutritious lunch (vegan choices)

Do you want to get a taste of permaculture strategies that create higher yields in your natural world and inner life?

You can by learning how to:

- Rehabilitate and create soils
- Passive water harvesting (earth work)
- Use low maintenance cultivars and best suited species for your site
- Supply key nutrients
- Implement guilds in your site (plant stacking as found in nature)
- Grow a edible forest garden
- Keep small farm animals in an urban landscape
- Be part of cultural expansion for harmonious living with nature and each other

Instructors:

Elizabeth Samudio certified permaculture designer, edible landscape consultant, designer and installer

Christian Coleman- Certified permaculture designer, teacher and installer of Forest Gardens
Others to be announced.

Our annual sustainable fall work-shoppe will cover these and other key elements needed to become more sustainable

Call, come by the shop, or visit our website to sign up!
